

HEALTH OPTIMIZING EYE-SUPPORT

We proudly introduce this natural and non-invasive supplement, proven to offer superior prevention and improvement of dry eyes and eye fatigue. The combination of ingredients is highly effective, as proven in multiple published clinical trials.

ABOUT

Our 22 years of experience assessing people's health inspired Health Optimizing Supplements; born from a desire to provide real solutions for people around the world for maintaining health at home; to create a sustainable, long-lasting positive impact, as additional fuel to lead a healthy, happy life.

UNIQUE INGREDIENTS

Our formula includes the patented Maqui berry extract, MaquiBright®, as a primary ingredient! The Maqui berry is the most powerful super-fruit on the planet. Our proprietary extract is a super-concentrate of the anthocyanins that provides the benefits. When combined with ultra-purified Omega-3 oil, it creates truly transformational results!

PROVEN BY CLINICAL TRIALS

There is a vast amount of documentation proving the efficacy of our unique formula. We have put together a PDF document highlighting the most important findings, available upon request. This is a strong indicative factor of the power of Health Optimizing Supplements, as most supplements on the market are not as extensively backed by clinical trials.

KEY BENEFITS

- Provides superior prevention and reduction of dry eyes
- Proven to reduce eye fatigue and associated symptoms
- Decreases severity and frequency of ocular symptoms
- Improves lacrimal gland function and tear fluid generation
- Eliminates bothersome symptoms, like irritation, blurred vision, sensitivity to light, and more
- Sufficient dosage of both ingredients which, according to clinical trials, generates optimal results for the eyes

STANDARD DAILY DOSAGE

One capsule should be taken every morning and evening. The recommended dosage of our eye-support formula contains:

- 100mg MaquiBright® (50mg per capsule)
- 1000mg Omega-3 - 2:1 DHA:EPA (500mg per capsule)

PRODUCT COMBINATIONS

Health Optimizing Eye-Support is an all-in-one product for the eyes only, and is obsolete when supplementing Health Optimizing Anti-Aging or Health Optimizing Gluco-Support in combination with Health Optimizing Omega-EPA.

NO NEGATIVE SIDE EFFECTS

According to clinical trials with a double dosage, "side effects" are profound anti-aging properties, antioxidant effects, and improvement of insulin resistance and blood sugar regulation.
