

# HEALTH OPTIMIZING GLUCO-SUPPORT

For the first time ever, there is a natural and non-invasive supplement that outperforms medicine for insulin resistance. The primary ingredient is patent-protected and the effectiveness of all ingredients has been proven in clinical trials.

## ABOUT

Our 22 years of experience assessing people's health inspired Health Optimizing Supplements; born from a desire to provide real solutions for people around the world for maintaining health at home; to create a sustainable, long-lasting positive impact, as additional fuel to lead a healthy, happy life.

## UNIQUE INGREDIENTS

Our formula includes the patented Maqui berry extract, Delphinol®, as a primary ingredient! The Maqui berry is the most powerful super-fruit on the planet. Our proprietary extract is a super-concentrate of the anthocyanins that provides the benefits. When combined with high quality Berberine, it creates truly transformational results!

## PROVEN BY CLINICAL TRIALS

There is a vast amount of documentation proving the efficacy of our unique formula. We have put together a PDF document highlighting the most important findings, available upon request. This is a strong indicative factor of the power of Health Optimizing Supplements, as most supplements on the market are not as extensively backed by clinical trials.

## KEY BENEFITS

- Dramatically improves insulin resistance
- Prevents health challenges caused by insulin resistance
- Counteracts metabolic syndrome and obesity
- Balances blood sugar effectively
- Improves energy conversion in the cells
- Outperforms Metformin without negative side effects
- All-encompassing solution combined with a healthy diet
- Optimal dosage of both ingredients which, according to clinical trials, generates the best results.

## STANDARD DAILY DOSAGE

One capsule should be taken every morning and evening. *Take an additional capsule if eating a high-glycemic meal.* Our formula is proven to contain the optimal daily dosage of the two ingredients that are most effective:

- 200mg Delphinol® (100mg per capsule)
- 500mg Berberine (250mg per capsule)

*Optimally taken with Health Optimizing Omega-EPA.*

## NO NEGATIVE SIDE EFFECTS

- According to clinical trials, "side effects" are the additional anti-aging, eye-health, and antioxidant properties provided by the Delphinoid extract.
- For those suffering from insulin resistance, it helps with the worst consequences by balancing inflammation and nitric-oxide, and reducing cardiovascular risk and fat-storage.
